A Message from the President

Hello Neighbors,

Hard to believe we are already here in March, and just as the flowers and trees were beginning to bloom, Mother Nature decided to play one last trick with our mid-March snow and extremely cold temperatures. While the snow is still on the ground as I write this message, the temps are a balmy 50 degrees, which means spring can't be all that far away. So, as we enter this period of longer days and warmer temps, keep in mind that the Association has much going on as we head into spring. Don't forget about our April General Membership Meeting, which will take place on Wednesday, April 12th, beginning at 7:30 pm at the Mason District Government Center. This is an important meeting as this is when we elect our SHWCA Officers for the upcoming year. If you only make one SHWCA Meeting this year, please make an effort to make this one!

Our first community event for the spring is also just around the corner. The SHWCA Annual Wine and Cheese Social will take place April 21st, at St. Albans in the Parish Hall beginning at 7pm. This event is a community favorite. Come learn about wines from various regions and try cheese pairings as you spend the evening socializing with your neighbors. More information can be found on page two of this issue. Also, the dates for the SHWCA Yard Sale and Spring Picnic have been set. Both will take place on Saturday, May 13th. More information will be in the May Issue of the Lamplighter, which should be out at the end of April. Please plan to participate and see you around the Woods!

Spring Wine & Cheese Social, April 21st

(Adoption Continued from page 1)
Virginia's Adopt a Highway Program. Longtime resident George Hyder presented a proposal at the March meeting seeking community interest in adopting the stretch of Columbia Pike that runs parallel to our community. In Mr. Hyder's assessment, there is an abundance of trash on Columbia Pike between Gallows and Sleepy Hollow Roads. There are several rules the community would have to follow if interested in "adopting" this section of Columbia Pike. The EXCOM is currently trying to gauge interest to see if the community would be interested in adopting the roadway. The commitment for this activity is two cleanups a year, for a total of three years. Supplies, including Clean Up Crew Signs, Orange Safety Vests, and Bags would be provided, and children 10 years and older may participate, however adult supervision is required for every six children. This may be a great opportunity for service projects as part of scouting, or just good community involvement. Please respond to the Sleepynet message if interested. Once we can gauge community interest, an informational meeting will be planned.

Remember to mark your calendars now for the Sleepy Hollow Woods Wine and Cheese Social. This event—which has become a Wood's favorite—will kick off on Friday, April 21, 2017, beginning at 7pm, at St. Alban's, in Frizzell Hall. Come celebrate the beginning of spring with many of your friends and neighbors while sipping wines from all around the world and enjoying cheese pairings to go with your wine. Selections of both wine and cheese vary, however in years past, wines from Italy, Portugal, France, and United States have been represented. Past cheese pairings have included stilton, chevre, cambozola, and vintage cheddars just to name a few. For anyone new to the

Woods, this is a great opportunity to unwind, learn about wines and various pairings, and meet your neighbors. You will also have the opportunity to take notes on what you liked and be able to ask our resident sommeliers any questions you might have. The cost to attend this event is \$15 per person, and will be collected at the door. This is a self-supporting event and each year money collected covers costs. Attendees are encouraged to bring friends, however please note that this is an adult only event. Look for the evite in order to RSVP. More details on the event will be sent via Sleepynet as we get closer to the April date.
